

## Functional Skills Qualifications

Functional skills are the fundamental English and maths skills that people need for their working and personal lives and are included in most training and education programmes. As well as embedding functional skills within our apprenticeships, we can also deliver standalone functional skills qualifications at various levels.

**FULLY FUNDED**  
NO COST TO YOU

## What will you learn?

### English

Speaking,  
listening and  
communication

Writing

Reading

Handling data

Application of  
numbers

Measure, shape
