

Learner Complaints Policy W0004 / V7.0

1. Policy Statement

- 1.1 At The Childcare Company/Impact Futures, we strive to provide the best possible service a learner, applicant or employer can expect, including but not exclusively high-quality training. However, we recognise that sometimes things may go wrong. If for any reason you are dissatisfied with the service that we provide, please let us know so we can deal with your concern and, where appropriate, ensure improvements are made as part of our ethos and commitment to continuous improvement. We encourage you to make a phone call so that we can talk about your problem and resolve it swiftly.

2. Policy Aims

- 2.1 We aim to make this policy and procedure easy to understand and use.
- 2.2 We aim to make this policy and procedure easy to access.
- 2.3 We treat all complaints seriously and aim to use our findings as part of our continuous improvement process.
- 2.4 We will provide additional support to anyone wishing to make complaint that has a learning difficulty or disability, or a physical disability that means additional support is required.

3. What is a Complaint?

- 3.1 A complaint is when you inform us you are not happy about the service we provide. It can be about anything, can be relatively minor or something more serious and could include:
- (a) when we do not deliver a service on time.
 - (b) when we give you incorrect information.
 - (c) when you receive a poor-quality service.
 - (d) when you have a concern with a member of our staff.

(e) when you think you have been discriminated against (Equality Act 2010 – 9 protected characteristics – refer to section 7 Appendix 2).

3.2 If you have concerns about assessment and quality assurance decisions, please refer to QU001 Learner Appeals Policy and Procedures, rather than use the complaints policy and procedures.

4. **Our Commitment**

4.1 Making a complaint should be as easy as possible.

4.2 We treat your complaint seriously and with the utmost professionalism.

4.3 We deal with your complaint promptly and in accordance with our confidentiality policy.

4.4 We learn from complaints and use them to review and improve our service.

4.5 If a complaint is received, it will be dealt with efficiently, with the aim of resolving the issue as quickly as possible, to the satisfaction of the customer.

4.6 Confidentiality: Except in exceptional circumstances, every attempt will be made to ensure all parties maintain confidentiality. However, the circumstances giving rise to the complaint may be such that it may not be possible to maintain confidentiality (with each complaint judged on its own merit). Should this be the case, the situation will be explained to you.

4.7 If we receive a complaint, we will try, wherever possible, to resolve it immediately and notify you of the outcome. We will send:

(a) an acknowledgement within **one working day**, including the details of who will be dealing with the complaint.

(b) a final response within **five working days**.

4.8 If we are unable to resolve the complaint within ten working days, we may ask for any further information. Moreover, we will keep you updated as to likely timescales where any additional investigation time will be needed.

- 4.9 We record all complaints and review them at our Senior Leadership Team meetings to consider if we need to make any changes to improve our services to prevent a re-occurrence.
- 4.10 An annual review of complaints and resolutions is conducted, and the associated report is reviewed by the Board.
- 4.11 If for any reason you are unhappy with our response to your complaint, you can escalate your complaint to our Operations Director.

5. Procedures

5.1 Stage 1 – Informal

- (a) A learner, applicant or employer who has a complaint, can raise the matter with any The Childcare Company/Impact Futures staff member and we encourage you to speak to your usual point of contact in the first instance, as sometimes issues can be resolved swiftly and locally without commencing with the complaint's procedure.
- (b) An informal approach is appropriate in some cases, these complaints will be responded to by the appropriate person within 5 working days of receipt of the complaint.
- (c) If the problem is not resolved satisfactorily at this stage, complainants should raise the matter with the Customer Experience Team Customer.experience@Impactfutures.co.uk
- (d) You may also feedback in writing or by telephone to

Customer Experience
The Childcare Company/Impact Futures
Floor 1, The Switch
1-7 The Grove, Hatfield Road
Slough
SL1 1QP
Tel: 01753 596004

- (e) The Complaint will be acknowledged within **one working day** and investigated. We will aim to resolve your complaint within **five working days**. If a further period of investigation is required, we will let you know. If you are unsatisfied with the outcome, you can escalate the complaint by moving to stage 2 of the complaints process.

5.2 Stage 2 -Formal

The Childcare Company/Impact Futures recognises that informal mechanisms may not resolve all problems and that some problems may be too serious or sensitive to be dealt with by raising the issue directly with the member of staff involved. In these circumstances, the formal complaints procedure should be used.

- a) A formal complaint should be submitted to the Customer Experience Team in writing to Customer.experience@Impactfutures.co.uk
- b) The statement of complaint should be as thorough and complete as possible and include any supporting documentation.
- c) The Customer Experience Team will log and acknowledge receipt of the complaint within 24 hours.
- d) The complaint will be passed on to the most appropriate person to deal with the complaint and they will become the 'complaint owner' (in most cases this will be the Senior Leadership Member most appropriate). It is the complaint owner's responsibility to fully investigate the complaint within 5 working days of this being received.
- e) The complaint owner will pass their findings back to the Customer Experience team for the central complaints log to be updated with the agreed outcome
- f) The complaint owner will update the complainant of the outcome of their complaint in writing.
- g) If the complainant is not satisfied with the response received as a result of Stage 2, the complaint may be taken to Stage 3 of the procedure.

1.1 Stage 3 – Appeal

- a) A copy of the complaint (with any supporting evidence) should be sent to the Board of Directors within 14 days of receiving the Stage 2 response. The Board of Directors will hear the complaint and review the evidence. The Board of Directors will investigate the complaint,

including all documentary evidence.

- b) The Board of Directors may seek to resolve the complaint based on the documentary evidence alone.
- c) Following investigation, a written response will be produced detailing whether the complaint is upheld or not and detailing action(s) necessary to resolve the issue.
- d) The decision of the Board of Directors is final.

1.2

- (a) If you remain dissatisfied, and the internal complaints procedure has been exhausted, you will be given the details of the relevant external organisation to escalate your complaint to. A list with links can be found in section 6 appendix 1.
- (b) If you have concerns about assessment and quality assurance decisions, please refer to QU001 Learner Appeals Policy and Procedures, rather than use the complaints policy and procedures.

1.3 **Stage 4**

- (a) Review: one month after your complaint has been resolved, we will contact you to check that you are still satisfied with the outcome and that the issue has not reoccurred.

6. **Confidentiality**

- a) All complaints will be treated seriously, handled sensitively and with due consideration to all parties involved. In line with our equal opportunities policy, all complainants will be treated fairly and not suffer any reprimand or disadvantage as a result of making a complaint. Any person named in a complaint, however, will be informed and have a right of reply as part of the investigative process.
- b) Complaints must be made by complainants themselves, however, we recognise that some apprentices and vulnerable adults may have difficulties with this and so encourage them to use whatever

assistance is required from a third party to make their complaint effectively.

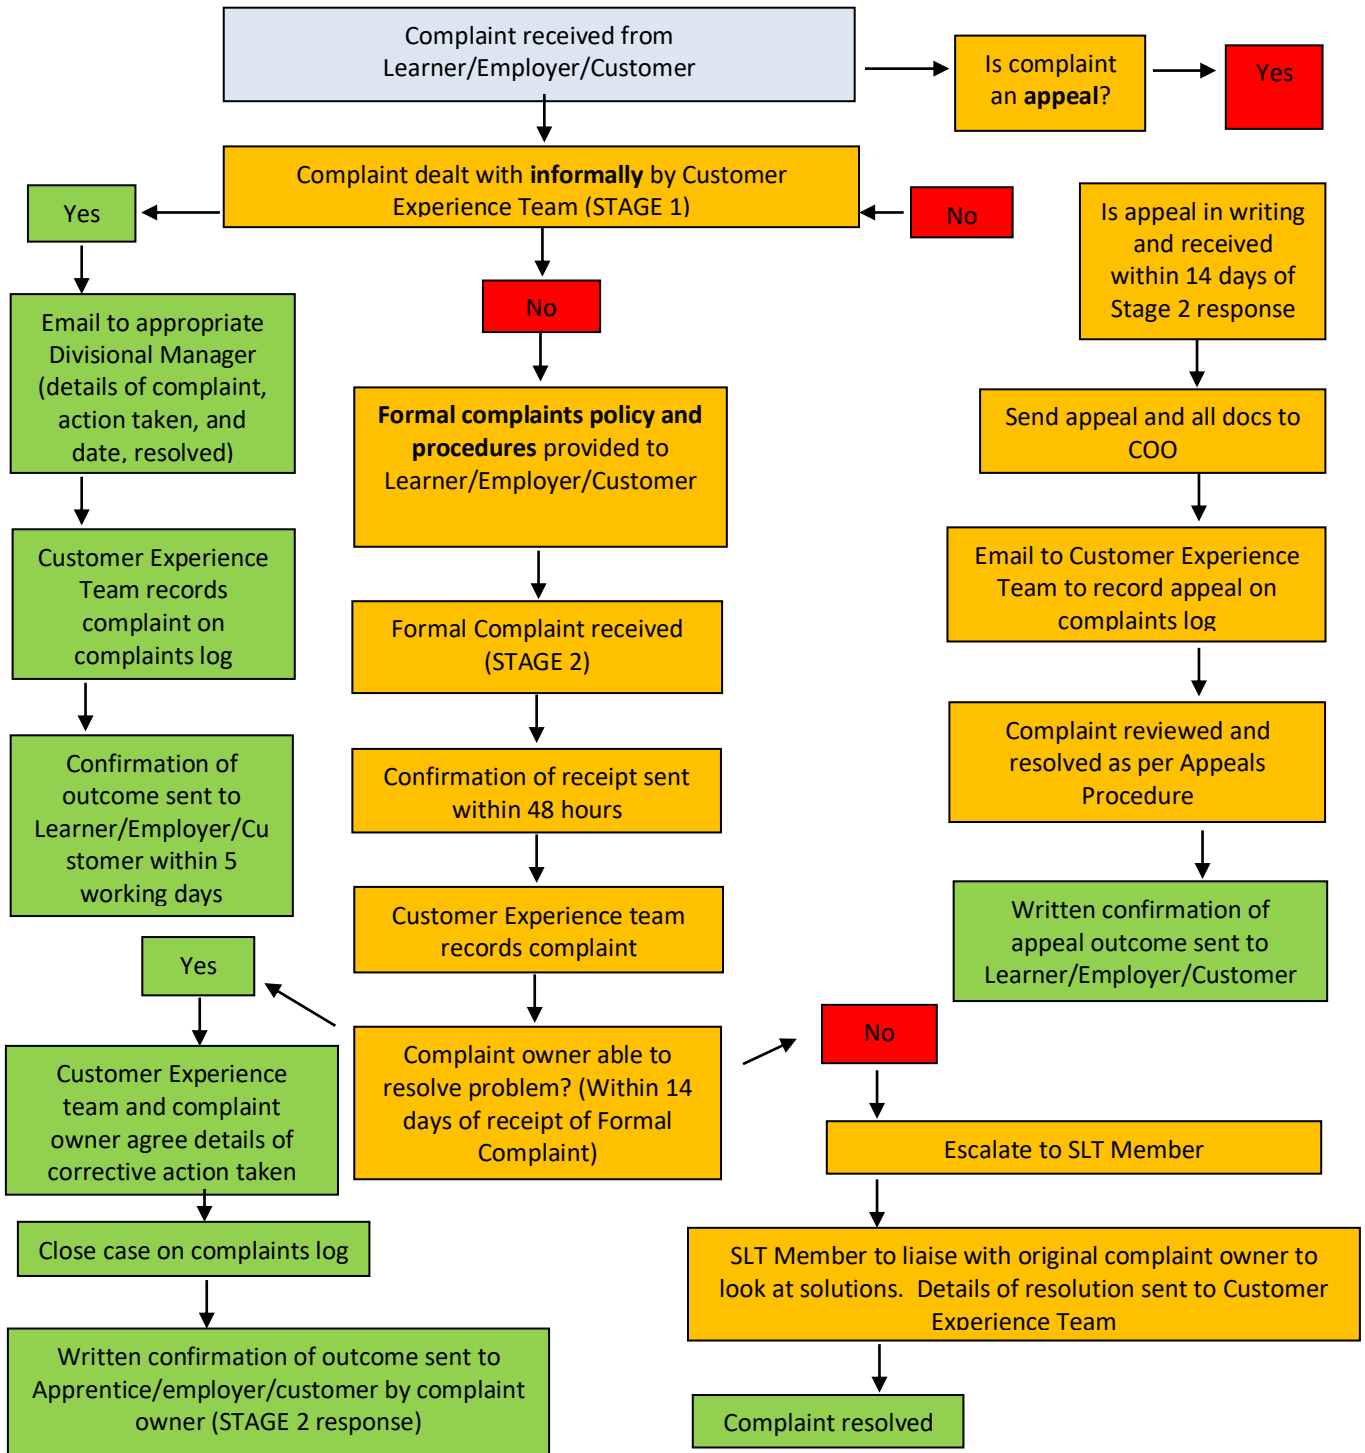

7. Recording a Complaint

- a) Complaints received are logged onto a central complaints log. The reason for the complaint and all progress made during the life of a complaint is recorded on the log until it is resolved to the satisfaction of the complainant or to a point at which The Childcare Company/Impact Futures can reasonably be expected to do no more.

8. Governance

- a) The central complaints log is reviewed each month by the Senior Leadership Team to understand key themes or trends that could inform future business processes and ways of working.
