Coaching Professional Apprenticeship Standard

The Level 5 Professional Coaching Apprenticeship is designed to enable learners to build on their existing knowledge and skills and supports learners to develop new responsibilities for the role of a professional coach taking their first step into coaching of employees at various levels within the business.

It is suitable for new and existing talent, within the organisation as long as they have the opportunity to act as an internal coach and/or deliver coaching in support of the organisations coaching and mentoring strategy.

At the end of this training programme, you will be awarded a Full and Relevant Level 5 qualification once a passing grade has been achieved at the End-Point Assessment.

Apprenticeships are 12 to 24 month training programmes. They are made up of:

More information on each of these components can be found within the learner or manager apprenticeship guide. All of the above components must be fully completed in order to successfully achieve your apprenticeship.

What is the duration and how will you learn?

Over the duration of 17 months, you will receive a combination of face-to-face and online training and support.

The 16 month time frame is based on an employee with a full-time contract, if an employee works fewer than 30 hours then the time frame of the apprenticeship will increase accordingly. See below for example:

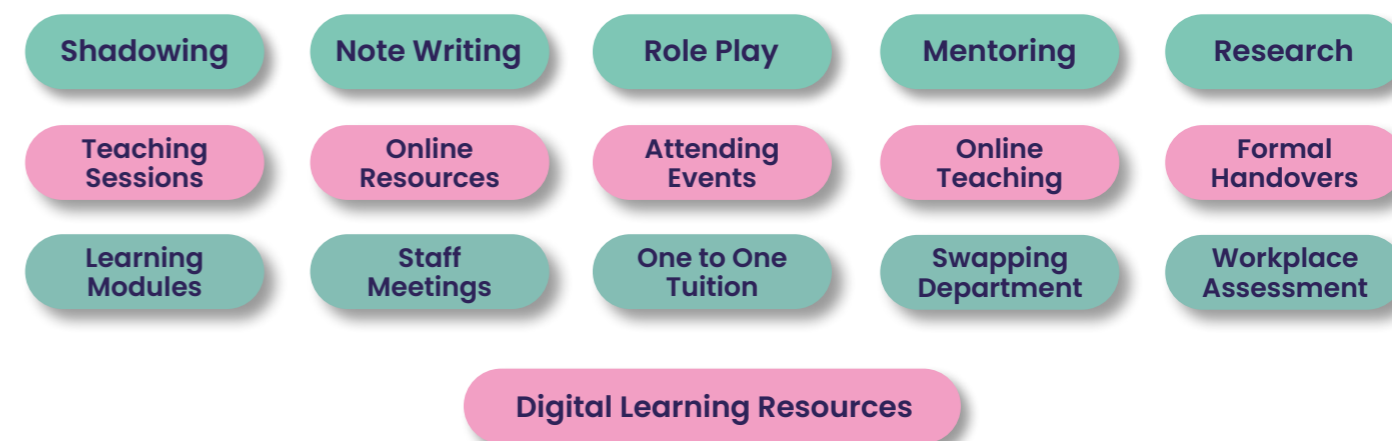

16 hours contracted per week = 22 months apprenticeship programme

You will undertake an online assessment that will help us to understand your learning style and needs, then we will tailor your learning experience accordingly.

We ensure that you stay on track to complete your programme on time by managing your progress through our state-of-the-art e-portfolio system, Aptem.

Off-the-job Training

As part of the apprenticeship, alongside your job role, a minimum of 6 hours per week of your time in work must be dedicated to improving new skills, knowledge and behaviours. This can be any time devoted to learning and improving new skills, knowledge and behaviours without interruption. Examples include:

End-point assessment

Learnt knowledge, skills and behaviours will be assessed by an independent assessor in your end-point assessment (EPA). This typically involves elements such as:
